You can't take	e that from	n me						

I was born on the river, and I'll die on the river Surrounded by my children where we make electricity From the dam I make my living, from the light the good Lord's giving And I'll go home by the river where I raise my family

(Alternate Melody Lyrics)
We've always lived here
We've always worked here
Now I'm afraid, they'll take our jobs away
We built our home here
We raised our family here

Now I'm afraid

Em F

Our people come from here

Em F G

Your grandmother was born right here

I am a fisherman and I need the water
To run through the rivers so the salmon can run free
I am a father and I need the water
To provide for my family
You can't take that from me

I was born on the river, and I'll die on the river Surrounded by my children who will return to the sea From the sea I make my living, from the fish the good Lord's giving And I'll go home by the river where I raise my family
