## **KEVIN'S SONG**

## **Intro:**

A D A D

Walking down by the river you explained it all to me

A

Years are just seconds to the sun

A

D

He said we are shooting stars tonight

A

D

Let's fly away

## **CHORUS:**

Bm E A
There are times when I still find your music in my soul
Bm E A
There are days I think I see your face
Bm E A
Many nights the twilight wind sounds so much like your voice
Bm E A D A D
Maybe I'm just missing you today

A I always wondered how your drawings looked so real A D You could do magic with your hands A D He said we are actors on a screen A D Let's run away

A D
I was looking forward to go traveling with you A D
But somebody said they had bad news A D
Its something we don't understand A D
He's gone away
