Chorus

C
The salmon come home, again and again
Am
Since the beginning of time, the beginning of when
F
We've been living here
G
And we've been living here forever
C
The salmon come home, again and again
Am
Since the beginning of time, the beginning of when
F
We've been living here
G
And we've been living on this land forever

F
Then the Russians came,
Am
For the fur and ground
F
They built log forts
G
And we burned them down
F
Then the great flu came
Am
Taking old and young
F
We gathered who was left
G
And we begin again

Chorus

Then the oil rigs came
Promising us jobs
Leaving oil sheens
As we carry on
Then the loggers came

Taking the great trees
Leaving mountains bare
Leaving muddy streams

Chorus

F
Now they come for the coal
Am
Underneath our river
F
To destroy our home
G
Take our children's future
F
We are one small town
Am
We are one proud people
F
We are one with salmon
G
We are one with eagle
F
We are one small town
Am
We are one proud people
F
We are still surviving
G
We are still surviving

F Am
I do not believe creator wants this to happen
F Am
I do not believe creator wants this to happen
F Am
I do not believe creator wants this to happen
F Am
I do not believe creator wants this to happen
