

## SWIMMING IN THE BIG

<sup>c</sup>  
My portfolio is high I'm going on vacation  
<sup>G</sup> <sup>c</sup>  
Anywhere I wanna, put it on my card  
I could use a little sun, and to see some ancient ruins  
<sup>G</sup> <sup>c</sup>  
The pyramids are calling, off to Egypt I will fly

### CHORUS:

<sup>c</sup>  
I go swimming in the big Egyptian river  
<sup>G</sup> <sup>c</sup>  
Bathing in the waters of de Nile  
The sun is shining down, and everybody's happy  
<sup>G</sup> <sup>c</sup>  
Bathing in the waters of de Nile

<sup>c</sup>  
My job is so secure and my government is stable  
<sup>G</sup> <sup>c</sup>  
The weather's getting better, a little warmer every year  
And now we've got free trade, and everyone will prosper  
<sup>G</sup> <sup>c</sup>  
The locals here are happy, I think I'll have another beer

<sup>c</sup>  
I thought I heard a bomb, it must be a celebration  
<sup>G</sup> <sup>c</sup>  
If anything was wrong, they'd tell me on TV  
Sometimes I am amazed how perfect things are going  
<sup>G</sup> <sup>c</sup>  
I think I'll do some shopping, and take a little time for me
